Sir:

As attorney of record, I hereby allege that:

(A) There is an infringing product, as well as an infringing method actually on the market, and in use;

(B) That a rigid comparison of the alleged infringing product and method with the claims of the application has been made, and that, in my opinion, some of the claims are unquestionably infringed; and

(C) I have good knowledge of the pertinent prior art.

Copies of each of the references deemed most closely related to the subject matter were filed with the USPTO in an IDS on January 15, 2003

It is respectfully requested that a grant of the petition to make special regarding the above referenced application.

Respectfully submitted,
Perkins Coie LLP
